

DESERT WHALE

JOJOBA COMPANY

Desert Whale ORGANIC Jojoba Company

TUCSON, Arizona – October 2002– Quality Assurance International has recently re-certified Desert Whale as a grower of organic jojoba seed, and processor of organic jojoba oil. Desert Whale owns the largest organic jojoba farms in the world, and is pleased to announce they have expanded their organic farms to over 1200 producing acres. Organic jojoba oil is one of many jojoba products Desert Whale offers, including an extensive line of jojoba derivatives, plus over 20 other natural emollients.
